

NOW AVAILABLE

COFFEE HOPPER EXTENSION

A simple and efficient solution for doubling your Eccellenza Touch's coffee capacity

INSTALLS IN A SNAP!

LESS REFILLING

Already a low maintenance brewer, by adding the coffee hopper extension, your customers will enjoy and appreciate more drinks without having to refill the hopper as often.

BENEFITS INCLUDE

- Increase coffee capacity from 4.2 lbs to 8.2 lbs
- No tools necessary to install
- Installs in less than one minute
- NSF-4 certified
